Tournament Rules

All Games will consist of two 25-minute running time periods with a five-minute halftime. A master clock will be kept to ensure all games start at the same time.

A horn will be blown to start and end all games.

All games will start promptly at the time listed on the schedule.

There will be only one time out per game and there is no overtime.

The score will not be kept by the tournament staff, for this is a Round Robin event with no playoffs.

The map, included in this packet, shows the location of the playing fields and other tournament facilities. If you have a problem or need assistance, report to the Tournament Operations Center. We look forward to a terrific weekend of exciting and competitive lacrosse. Good luck to each and every team. Play hard, play safe and have fun and enjoy playing and coaching this great game! .
